

Dear Richmond Hill Mobility Team

On behalf of Community Living York South, thank you for your donation and generosity. Our agency relies on donations like yours to support the important work we do and the services we provide.

Our agency provides direct support to over 350 people in community group living, supported independent living, and day option activities. Additionally, we provide supports and services to over 1500 people and their families in our community support programs. These programs provide a multilingual comprehensive suite of services that enable people in directing their own lives, promote self-sufficiency, increased opportunities, partnerships, well-being, and meaningful participation in one's community.

Thanks to donations like yours, we are able to continuously provide and expand pertinent programming and opportunities in response to the changing and growing needs of people with intellectual disabilities and their families. **You make it possible to:**

- Support people to meaningfully live, work, play and learn in their communities
- Provide guidance and support to people and their families while they navigate through challenging transitions
- Enable us to create self-help and educational opportunities for those who need them
- Support equal opportunities for gainful employment initiatives

For these reasons and so many others - Thank you!!

Thank you for enabling us to continue our efforts to inspire possibilities and empower people with an intellectual disability to live, learn, work and participate in their community. **YOUR** donation has made a difference, **YOU** have made a difference.

Sincerely,

Nancy Kula
